"Enchante," the annual Junior Prom will have an evening of music and dances for BYU students Friday night.

NATIONALLY known recording artists, The Four Preps, provide the musical entertainment for the concert at 7 p.m. in the Smith Fieldhouse. Immediately following the concert the selected ASBYU studentbody will be announced at the dance.

A blend of pink, pale rose and blue will set the mood for the evening which will follow the concert and election results announcement.

THE ATMOSPHERE in the Wilkinson Center Ballroom will be enhanced with bamboo, sheeting and lighting effects. Imported favors will add a special touch to this year's Prom and help make it more special, according to Dr. J. Howard Craven, Prom Chairman, who is providing music for the event by the Scotsmen from Utah.

ESS FOR the occasion is suits and dinner jackets for men and evening wear and formal dresses for women.

Beginning the evening of "Enchante" as guests will be the junior officers from Utah State University.

TICKETS for the events are on sale at the ticket office on the third floor of the Wilkinson Center. However, regular seats are all that remain for the concert, and those remaining may be purchased by the hour at the door. Dance tickets are \$2.00 per couple.

Miss Callister urges all students to get their tickets as early as possible.

Associated Women Students Name First Lady As 'Woman Of The Year'

"Woman of the Year" was named by Associated Women Students of BYU Tuesday.

SISTER EMMA Ray Riggs McKay, wife of the President of the Church of Jesus Christ of Latter-day Saints and a native of Salt Lake City, was chosen to receive the award in its first year.

AWS officers began surveying the BYU campus women one year ago, and received an almost unanimous request that Mrs. McKay be accorded the honor.

THE AWARD will be presented at an "Outstanding Woman Night," scheduled for Thursday, April 21, at 7:30 p.m. in the Main Ballroom of the Wilkinson Center.

The "Woman of the year" award was begun by the AWS this year to aid them in motivating and inspiring women students on the Provo campus.

SISTER MCKAY, the former Emma Rae Riggs, was married to President McKay in the Salt Lake Temple in 1901. She has accompanied her husband on his trips around the world and has been at his side throughout his years of work in the Church.

In 1960 the McKays moved from their family home to an apartment in the Hotel Utah in Salt Lake City where they now reside.

SHE HAS BEEN invited to the awards ceremony. Her daughter, Mrs. Emma Rae Ashton, will also be a special guest speaker.

A special address given to the women of BYU by Mrs. McKay in 1962 will be included in a pamphlet and will be presented to those in attendance. The event is open to the public, and a special invitation has been made to women of the BYU studentbody, said AWS officers.

Sister Emma Ray Riggs McKay, wife of President David O. McKay, was named "Woman of the Year" by the Associated Women Students of BYU. Sister McKay is in her 65th year of marriage to the President. She will receive a quilt.

Assembly To Feature Dr. Kenneth McFarland

Dr. Kenneth McFarland, author, educator, industrialist, will speak at the BYU Forum assembly, April 14 at 10 a.m. in the George Albert Smith Fieldhouse.

HE WILL ALSO make an appearance in Salt Lake City at 8 p.m. in the Assembly Hall on Temple Square. A poll of the nation's trade associations, conducted by the United States Chamber of Commerce, resulted in Dr. McFarland's being officially declared as "America's number one public speaker," news releases said.

DR. MCFARLAND received his bachelor's degree from Kansas State Teachers College, his master's from Columbia University and his doctorate from Stanford University.

His last public school position was a nine-year term as superintendent of the Topeka city schools. His proficiency in the field of vocational education was clinched when the McFarland Trade School, which he designed and built in Kansas, was named in his honor.

TWENTY-FOUR years of service as a school executive found Dr. McFarland recognized by the Lincoln Library as one of the "seven most famous American educators."

Through the years Dr. McFarland has become identified with business, industry, sales and agriculture. Today he is one of the best informed and most eloquent exponents of the whole American philosophy of economic, political, social and religious freedom, said news releases.

HE CONSIDERED speech as a choice medium for dispensing information that is organized and usable. He says a meeting is a place to "transpose facts into a philosophy of living, and to turn knowledge into understanding."

Dr. Kenneth McFarland will give the address at Thursday's Devotional Assembly.

Studentbody Finals . . .

Polls Open Thursday

Final studentbody elections will be held Thursday and Friday to determine ASBYU officers for the 1966-67 academic year, according to Steve Smith of the Elections Committee.

IN THE PRIMARY elections approximately 60 per cent of the studentbody participated by casting ballots. Smith said he would like to see a larger turn out for the finals so "the elected officials would be representing a majority of the students and not just a few."

ASBYU presidential hopefuls are Jerry Callister and Lynn Southam. Paul Gilbert and Victor Ludlow are competing for the office of vice president of Academics.

THE VICE presidency of Culture is being sought by Bill Homer and Stephen Nadavid while Nevin Anderson and Al Kemp are seeking vice president of Finance.

Sandy Kross or Brian Lowe will fill the office of Social Vice president and Merwin Grant or Del Williams will be selected vice president of Student Relations.

THE TWO assemblies will be selected from among Leo Beus, Donovan Davison, Terry Johnson, and Gary Montgomery.

Candidates for Associated Men Students' president are Dick Budgen and Ron Jensen.

FINALISTS for Associated Women Students' officers are Carol Dixon and Pam Edeusky for president, Patti Greaves and Dian Thomas for

vice president and Anne Johnston for secretary-treasurer.

Viet Cong Attack Saigon Base

GOV. (AP)—A Viet Cong attack killed two Americans and destroyed two Vietnamese transports and set a fuel dump on fire at Saigon's Tan Son Nhut base early Wednesday, U.S. officials announced. 34 Americans and 4 Vietnamese Air Force men were wounded.

ELL-SET FIRES aground and

flares dropped by Guerrilla-hunting Allied aircraft lighted the night sky for miles. Crews of armed helicopters that raced aloft said they hit the area of the mortar emplacements, but there was no estimate as to whether they got any of the Viet Cong.

In addition to the two C47s destroyed, other aircraft—both Ameri-

can and Vietnamese—were damaged.

THE RAID on the airport, only four miles from the heart of Saigon, followed up a mauling attack by Viet Cong—after two weeks of evasion—on a rifle company in the U.S. 1st Infantry Division's Operation Abilene 40 miles east of Saigon. The company's casualties were officially described as heavy.

THE BLOODY jungle fight, the first B52 raid on Communists North Viet Nam and a flurry of 36 missions north of the border by smaller planes had highlighted military reports in a war shadowed by the Saigon political crisis.

The Tan Son Nhut Airport has been a target of terrorist attacks, but the raid, Wednesday was the first with mortars.

Miners Defy Union Orders As More Strikers Walk Out

PITTSBURGH, (AP)—The number of striking soft-coal miners swelled Tuesday as the workers continued to defy a union order to end their walkout in a contrast dispute.

ABOUT 60,000 miners in eight states stayed away from the mines

in the biggest walkout in the nation's soft-coal fields in 15 years. The strike continued in defiance of a back-to-work order by UMW President W. A. (Tony) Boyle. Compliance with the directive was generally spotty and three was no indication of a general break.

Downed U.S. Plane, Claims China

TOKYO (AP)—Red China accused the United States of aerial attacks on Chinese fishing boats and ned its air force downed a U.S. military craft on the Hainan mainland.

In Washington, the Defense Department announced a Navy KASB tanker plane was overdue on a flight from Philippines to the South Viet Nam war theater, but did refer to the Chinese claim. The terse Pentagon announced it did not acknowledge the plane was lost.

Hanoi Protests B-52 Raid

TOKYO (AP)—Hanoi protested Wednesday against the use of Guam-based U.S. B52s in bombing North Viet Nam. Describing Tuesday's B52 raid as "a new step in the escalation of the war," Hanoi said:

"However, this rabid action cannot possibly retrieve the greater defeats they (the United States) are sustaining in the South Viet Nam nor can it boost up the sinking morale of their lackeys."

Greek Tankers Run Blockade

LONDON (AP)—Two Greek tankers with oil for Rhodesia confronted Portugal and South Africa with a fleet of flouting the United Nations or failing their Rhodesia friends.

In Beira the Greek-owned Ionnia V, with 18,000 tons of aboard, lay docked only 30 feet away from the pipeline serving the port in Portuguese Mozambique with Rhodesia. Behind a tight security screen there were signs that marines were trying to connect the six-inch offloading pipe he tanker with the 10-inch intake of the pipeline.

GOP Advised To Seek Negro Vote

WASHINGTON (AP)—Republicans were urged Tuesday two organizations calling themselves progressive to grab "torch of reform" and to go after the Negro vote in the th.

Republicans for Progress, a citizens organization built and former Eisenhower administration officials, and Redican Advance, a Yale University group, joined in endorsing national committee action to erase any segregationist in Southern GOP Party organizations.

Prison Break In Maryland

BREATHEDSVILLE, Md. (AP)—Police supported by guns, tear gas, dogs and yard-long clubs stood by to detain order Tuesday in the aftermath of rioting at the Maryland Correctional Institution.

Two prisoners were shot after a riot erupted during a break at the medium security facility near this small town Maryland community, and several other persons were injured.

Legal Walkout

OUNDSVILLE, W. Va. (AP)—A strike of 15,000 West Virginian miners spread in an unexpected direction Tuesday when two penitentiary prisoners slipped away from their jobs in the coal mine and escaped. Prison officials said the walkout "Definitely" was not authorized.

U.S. Rejects French Pullout Deadline

WASHINGTON, (AP)—Rejecting Charles De Gaulle's one-year pullout deadline, the United States Tuesday set a two-year time for her military pullout from France and warned that French NATO units stand to lose quickly their access to American atomic arms.

In a separate statement, Secretary of State Dean Rusk in effect accused President De Gaulle of one-sided treaty-breaking which he said "strikes at the very heart of the sanctity of international agreements."

"Fourteen nations, comprising 450 million people and possessing massive military power, will not be paralyzed by the attitude of France," Rusk added.

The U.S. position on French disengagement from the North Atlantic Treaty Organization (NATO) and demand for removal of U.S. bases and some 30,000 troops from French soil was set forth in a diplomatic note to Paris. France and her NATO allies have been trading a stream of messages since the French formally declared their intent a month ago.

De Gaulle, who says the unified NATO defense structure is outmoded and impinges on French sovereignty, has served notice of French withdrawal from the integrated system as of next July 1. He wants NATO military headquarters and U.S. Forces out of France by April 1967.

Provo High School, has been selected as the site of one of the ten high schools across the nation to conduct the new Air Force High School Reserve Officers Training program.

THE PROVO HIGH School program will be under the supervision of the BYU Air Force Detachment Staff, according to Lt. Col. Paul H. Sharp, Professor of Aerospace Studies at BYU.

Aerospace studies courses will be conducted in these schools on a trial basis prior to being offered to additional high schools next year on a nation-wide basis.

SELECTION OF the schools was based on nearness to established college-level AFROTC units, proximity to Air Force bases, demonstrated interest in aerospace education and the necessary facilities and enrollment to support the program.

Although experienced senior AFROTC officers will have responsibility for management for the program, the primary responsibility to conduct the program will rest with high school authorities.

Cougar Golfers In Romp

by Doug White
Universe Sports-writer

Brigham Young University's golf team played perhaps its best match of the season Tuesday in walloping Weber State 18 1/2 to 2 1/2 at the Oakridge Country Club.

MEDALIST HONORS were shared by BYU's Jack Chapman, Kean Ridd, and Mike Smith, who all had one under par 71 in the eighteen-hole event. Richard Keller totaled 76 for the Northern's best tally. BYU bolters John Evans and Bruce Difloure had 73 and 77, respectively.

Cougar coach Karl Tucker was extremely plesed with the results of the perfect-weather match played on the beautiful Hill Air Force Base course.

LAST WEEK the Cougars finished fourth in the 1966 Western Intercollegiate at Santa Cruz, Calif. Tucker said that even though BYU placed fourth in the 30-team field, the team played better golf than in the same tourney in 1965.

"Naturally we're not completely satisfied when we don't win," reported the coach Monday. "But in finishing fourth in the tournament we had four fewer strokes than last year and were only ten strokes out of first place."

LAST YEAR the Cats took second place, 24 strokes behind the number one team.

"The field, obviously, was much more talented this year," observed the BYU member.

The Western Intercollegiate was won by University of Southern California (504). Fresno State was second (58), Los Angeles State third (57), and BYU tied with San Diego State (594) for fourth in the 36-hole tournament.

BYU WAS the team leader at the end of the 27 holes, but couldn't keep up the pace in the final nine. WAC (tennis Arizona State (559) and Utah (618) finished sixth and ninth, respectively.

A panel discussion on "Can Scientists Read the History of the Earth Written in the Rocks?" will be held at 8 p.m. in the Recital Hall of the Harris Fine Arts Center.

Netters Test WAC For From Southern Division

Coach Wayne Pearce and the BYU tennis team leave for Albuquerque Tuesday night where they will begin a three-game southern swing to New Mexico, Arizona State, and Arizona.

BYU SPORTS a 4-2 record and is just starting to play regularly. The mountain weather limits the Cougar schedule in the early spring. "We'll be fortunate to win three of this trip, but we plan to win at least two and make an all-out effort for the third game," coach Pearce said Tuesday. The

qualified for the 36 holes of final competition on Saturday, thirty golfers out of the 40 entries qualified.

Bad Allen, BYU's main big individual honors, ended up with a 70-79. John Miller came to finish eleventh and Craig was fifteenth with an 81-85. FRIDAY AT 1:30, BYU and the Cougar Alumni golfers at side Country Club.

In New York City, the crowd to see a Yankee ball fourteen years was disappointed as the Gotham Bombers made a 2-2 decision to Curt Beatty in the 11th. Jib "Mudcat" Griggs got the win and Whitey Ford the loser.

THE ATLANTA Braves their chance to start off the with a win as the Pittsburgh defeated the new national entry, 3-2 in 13 innings.

will be pressed by BYU's Bob
Skamnes (-48.3). The middle dis-
tances through the two-mile will
be a real battle between the best
of BYU and ASU.

IN THE MILE, for instance,
ASU's Louis Scott (4:02) will be
racing against BYU's Bob De-
aney (4:08.4), Bob Ricard (4:09.0).
In the two-mile, Scott (9:02.7)
seems to have the edge, although
Ray Rohatinsky (9:20.6) and Ron
Morgon (9:21.1) of BYU can be
expected to perform better at the
lower elevation.

HURDLER Al Rockwood (-13.7)

should have his day in the 120-Yard-

be fought for by ASU's Dick Miller
(-52.4) and BYU's Mike Douglas

ASU's Mike Markham has a 15'

enough depth to claim the rest of
the points here.

HIGH JUMPER Gary Hines of
BYU has a best of 6' 9" this sea-
son. This is 3/4 of an inch below
the top '66 effort of Mike Lange of
ASU.

Veteran Glenn Winningham of
Arizona State looks like the best
